Amoré® Definitions

You may notice there are some words and symbols in front of the rose names. Below are what they all mean:

Amoré®	Our very special varieties, they have the x-factor
Floranza®	Very floriferous
Decoranza®	HT, single blooms, perfect for vases
Romanza®	Romantic Old-Fashioned, ruffled form.
Faerie®	Miniature/Patio/Mini-flora/Small Flowered
Pixy®	Miniature, small flowered
Wonder®	Roses to be admired
Starlet Rose®	A climber or 'rising star'
Tender Touch®	Almost thornless

Has won an award

Health Meanings

Average Health	Will need the occasional spray if the conditions are such that disease is around.
Disease Tolerant	May get the occasional spot but will just keep on growing without treatment.
Disease Resistant	Doesn't need spraying, very rarely gets any disease, maybe a spot or two in really bad conditions.
Diva	As the name suggests, these will need extra attention and a regular spray programme.

These are a completely new type of rose and are being especially bred for us by our talented rose breeders around the world to cater for the modern smaller garden spaces of today. These Bambina Roses® are completely new to NZ and only available through Amore Roses. Bambina Roses® are shorter growing so take less space than traditional large roses but make more impact in colour and size than the smaller Piccolo and patio sized roses.

Bambina Roses® grow less than a metre tall with large Flowers. They produce bursts of colour all summer long and many of them are highly fragrant, perfect for your outdoor entertainment areas.

Our Bambina Roses® have a multitude of uses. They can be planted in pots for the patio deck or in the garden providing mounds of colour and take up less space than the larger roses. Bambina Roses® also make great landscape plantings, Bambina Rose® bushes can be used for lovely low hedges and borders being low maintenance and easy care.

FLORANZA® Air Kisses

Ruffled semi-double flowers with small central magenta eye and yellow stamens beloved by bees, complete with a strong, sweet tea fragrance. A short mounding plant with healthy, shiny deep green foliage, needs little care.

Colour	Bright White with Magenta centre eye	Fragrance	Strong sweet tea	Height	80-100cm
Breeder	Colin Dickson, Northern Ireland	Health	Disease Tolerant	Type	Floribunda/ Small Shrub, Persica

ROMANZA® Alabaster

Lovely creamy white double blooms hold up well to rain. Blooms in small clusters. White blooms contrast well to the dark green disease tolerant foliage.

Height	1.00cm	Fragrance	Light Tea Scent	Colour	Creamy White
Type	Floribunda	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

FLORANZA® Aspirin

Deservedly popular. Beautiful and very floriferous all-purpose rose with mounding growth and pretty little perfect white flowers blushing to pink in cooler weather. Very disease resistant well covered with dark green polished foliage.

Colour	White, blush pink	Fragrance	Soft Tea	Height	60-80cm
Breeder	Tantau Rosen, Germany	Health	Disease Resistant	Type	Low Floribunda

CONGRATULATIONS® Baby Girl

Soft baby pink blooms smother the compact bush. Has a myrrh tea scent. A useful little rose, perfect for a pot with pretty blooms for a posy, it will decorate your patio, entertainment, area or garden perfect for container or pot culture.

Colour	Baby pink	Fragrance	Myrrh Tea	Height	60-80cm
Breeder	Spek Rosen, Netherlands	Health	Disease Tolerant	Type	Floribunda

TENDER TOUCH® Belle De Clermont

One of our new almost thornless range. Hybrid Tea of classic form with very pretty glowing blooms which open bright carmine pink with a pale yellow reverse that evolves into crimson tones. Petals sometimes have wavy petal edges as if clipped with scissors giving the flower a slightly modern shaggy appearance. A strong fragrance and medium green leaves with good disease resistance on an upright plant.

Height	80-100cm	Fragrance	Strong Sweet Tea scent	Colour	Carmine with Yellow
Type	Hybrid Tea	Health	Disease Resistant	Breeder	Guy Delbard/ Roses Anciennes André Eve, France

ROMANZA® Bluebell

Purple - Blue violet, the glowing colour is almost unreal. Highly fragrant. ROMANZA® Bluebell will give you a great quantity of flowers from spring to frost, on a compact plant, with a small matte green foliage and disease tolerant.

Colour	Purple	Fragrance	Strong sweet Clove Tea	Height	60-80cm
Breeder	Meilland Richardier, France	Health	Disease Tolerant	Type	Floribunda

FLORANZA® Bright & Breezy

The double blooms are a brilliant, bright orange with a yellow reverse. A very floriferous floribunda which covers itself with large heads of blooms which wowed the visitors to the Amoré Roses® Open Day in 2020. A moderate fragrance. Blooms in flushes throughout the season. Disease tolerant.

New Zealand Award Winner

Colour	Orange and Yellow	Fragrance	Moderate	Height	90-100cm
Breeder	Colin Dickson, Northern Ireland	Health	Disease Tolerant	Type	Floribunda

DECORANZA® Capri

Warm apricot orange with pink highlights lovely old fashioned muddled blooms. Intensely fragrant with notes of apricot and honey. Small growing upright bush with large glossy dark green leaves.

Height	80cm	Fragrance	Strong fruity	Colour	Apricot orange
Type	Hybrid Tea	Health	Average	Breeder	Tantau Rosen, Germany

FLORANZA® Cinnamon Chai

Soft gold with lighter outer petals muddled old-fashioned blooms. Really attractive. Fruity tea fragrance.

Colour	Soft gold with cream	Fragrance	Medium fruity tea	Height	90-100cm
Breeder	Colin Dickson, Northern Ireland	Health	Disease Tolerant	Type	Floribunda

Cosmic WONDER®

Looking like a Dahlia, rosette shaped, many petalled blooms open first with a lemon heart quickly fading through cream to pure white. Blossoms look like large cosmic star bursts adorning the dark green healthy foliage. A complex fragrance with notes of honey, musk, clove, myrrh and tea add to the magic. Good disease tolerance.

Colour	Pale Yellow to White	Fragrance	Medium-Strong complex	Height	80-100cm
Breeder	Spek Rosen, Netherlands	Health	Disease Resistant	Type	Hybrid Tea

TENDER TOUCH® Cream Chiffon

One of our new almost thornless range. Lots of flowers neatly ruffled with many petals open first with a pale yellow heart quickly fading to cream. Mostly thornless strong green stems forms an upright tidy bush with good disease tolerance.

Height	80-100cm	Fragrance	Medium Tea	Colour	Pale Yellow to Creamy White
Type	Floribunda	Health	Disease Tolerant	Breeder	Colin Dickson, Northern Ireland

Crème Chantilly MEIDILAND®

An abundance of small cup shaped double flowers of rich cream with a blush apricot centre smother the compact bush looking good enough to eat. Flowers have a light sweet tea scent and a quick repeat. Very healthy short bushy plant with dark disease resistant foliage make this a very desirable rose.

Colour	Cream	Fragrance	Light Tea	Height	80cm
Breeder	William J. Radler / Meiland Roses, France	Health	Disease Resistant	Type	Floribunda

AMORE® Espresso

A very unique colour coupled with a spicy clove fragrance makes this a very desirable rose. Highly disease Resistant with dark polished foliage all through the growing season. One of our very special varieties.

Colour	Brown with a yellow eye	Fragrance	Medium Sweet Clove	Height	100cm
Breeder	Spek Rosen, Netherlands	Health	Disease Resistant	Type	Floribunda

AMORE® Eye need you®

Pretty ruffled double blooms of blushing pink with a surprise raspberry centre - something different for your garden. Short mounding growth with disease Tolerant dark green foliage. A strong sweet tea fragrance is an added bonus.

Height	75cm	Fragrance	Medium Sweet Tea	Colour	blushing pink, raspberry centre
Type	Small Shrub/Floribunda	Health	Disease Tolerant	Breeder	Spek Rosen, Netherlands

FLORANZA® Eye Popping

A very floriferous rose, single yellow fading to white with red 'eye' deepening to purple. Loads of flowers in cycles all season. A low growing 'cushion' of blooms it is ideal in a pot or raised garden bed. On a 45cm standard it is very eye-catching. Very healthy all season. A trouble free rose.

New Zealand Award Winner.

Colour	Single Yellow/White with Red 'Eye'	Fragrance	Nil	Height	70cm
Breeder	David Kenny, Ireland	Health	Disease Resistant	Type	Patio/Shrub, Persica

DECORANZA® Fortitude

A profusion of large glistening satin pink flowers with yellow inner, on a strong upright tidy plant. Sweet rose scent. Healthy, glossy foliage. An irresistible Bambina Rose®

Colour	Satin Pink	Fragrance	Strong	Height	75cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Floribunda

ROMANZA® Glitz & Glam

Public voted best Hybrid Tea Rose (Hamilton NZ 2023). Rose of the Day, Amoré Roses® Open Day 2019 and again 2022. The Hybrid Tea everyone loves. When the weather is right the blooms are ethereal in their beauty. Huge

bright yellow blooms with candy pink edges, flowers suffuse with deep red as the blooms age and there is a soft tea scent. Flowers non-stop all summer. Dark green foliage and average health. New Zealand Award Winner.

Height	100 cm	Fragrance	Light tea	Colour	Yellow and Pink
Type	Hybrid Tea	Health	Average	Breeder	Jérôme Rateau / Roses Anciennes André Eve, France

DECORANZA® Golden Joy

Vibrant yellow hybrid tea with dark peach-coloured edges to the petals, blooms of classic hybrid tea form with a strong fragrance of Lemon and Tea. Plant has a bushy growth habit and glossy foliage.

Colour	Soft gold with pink edge	Fragrance	Strong Lemon Tea	Height	8cm
Breeder	Doug Grant, New Zealand	Health	Disease Tolerant	Type	Hybrid Tea

ROMANZA® Heidi Klum

Gorgeous violet purple full petalled, flat, rosette shaped blooms, with each petal in its perfect place, is always popular. This delightful compact bush with its medium green foliage and jewel toned blooms will brighten up your patio, entertainment area or garden. A useful little rose, perfect for a pot with pretty blooms for a posy.

Colour	Rich Purple	Fragrance	Strong sweet rose	Height	50-80cm
Breeder	Tantau Roses, Germany	Health	Average, gets some disease	Type	Hybrid Tea

FLORANZA® Hypnotic Blush

Look within the depths of the bloom with its petals swirling neatly around the centre. Soft baby pink with a soft myrrh tea scent. Short growth perfect for container or pot culture. An entrancing Bambina Rose®

Height	60-80cm	Fragrance	Myrrh Tea	Colour	Baby pink
Type	Floribunda	Health	Disease Tolerant	Breeder	Spek Rosen, Netherlands

Inka®

This multi award winning rose has golden yellow nostalgic ruffled flowers with excellent colour stability, even in our strong NZ sun. Full romantic flowers in clusters with a strong tea fragrance. Medium green glossy foliage and good disease tolerance.

Colour	Yellow / Gold	Fragrance	Strong Sweet Tea	Height	80cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Floribunda

FLORANZA® Lampion

Won an award of Merit in Palmerston North Trials in 2022. Stunning early bloomer in Spring. Clusters of blooms of bright sunny yellow with pink edge which get pink in the sun. A lovely rose.

New Zealand Award Winner.

Colour	Yellow with pink edge.	Fragrance	Soft Tea Scent	Height	80cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Floribunda

FLORANZA® Lemon Ruffle

An absolutely gorgeous award winning Bambina Rose® in a colour that 'blends with all others. Ruffled blooms open pure lemon yellow which fade pleasantly as they age so there is a multi-coloured effect on the bush. Medium sized semi-double blooms in clusters with beautiful stamens. Medium fragrance. Short growth with semi-glossy, disease Resistant, medium green foliage.

New Zealand Award Winner.

Height	80cm	Fragrance	Medium Tea	Colour	Lemon Yellow
Type	Floribunda	Health	Disease Tolerant	Breeder	Brad Jalbert, Select Roses, Canada

ROMANZA® Lip Gloss

Cheerful bright pink full petalled, flat, ruffled blooms with a button eye and each petal in its perfect place, a real novelty. This delightful compact bush with its dark green polished foliage and brilliant jewel toned blooms will brighten up your patio, entertainment area or garden. A useful little rose, perfect for a pot with pretty blooms for a posy.

Colour	Bright Pink	Fragrance	Little	Height	50-80cm
Breeder	Tantau Roses, Germany	Health	Disease Tolerant	Type	Floribunda

WONDER® Little Butterfly

A bit different and very appealing like clouds of butterflies in flight. Prolific medium sized single blooms in large trusses open pink and fade to white with a pink reverse and yellow stamens - the bees certainly love this one. Makes a rounded bush well covered in disease Resistant foliage.

Colour	Pale Pink	Fragrance	Medium Sweet Apple	Height	90cm
Breeder	Kim L. Rupert, United States	Health	Disease Resistant	Type	Polyantha

FLORANZA® Maria Mathilda

Glowing vivid white double flowers with beautiful stamens beloved by Bees, open from slightly blush pink buds. One of the best white spray roses, with large flowers and very good continuous flowering. The plant has strong, upright, almost thornless branches with dark green healthy leaves.

Height	1.00cm	Fragrance	Medium sweet tea	Colour	White
Type	Floribunda	Health	Disease Tolerant	Breeder	Lens Roses, Belgium

FLORANZA® Mexican Wave

A confection of fruit salad colours, oranges and golds dark-en in the sun adding deep pinks and red. Soft tea scent with a hint of clove. Upright bush is healthy all season, highly disease resistant dark green shiny foliage. A great touch of colour for your garden.

Colour	Orange, Yellow, Red blend	Fragrance	Soft Tea and Clove	Height	90-100cm
Breeder	Spek Rosen, Netherlands	Health	Highly Disease Resistant	Type	Floribunda

FLORANZA® Missy

This 'Miss' says "Look at Me" dressed in bright Pink. Clusters of frilly blooms are ruffled with many petals. She continues blooming with her lovely vibrant and plentiful flowers all summer and well into autumn.

Colour	Bright Pink	Fragrance	Light - medium sweet lemon tea	Height	80cm
Breeder	Spek Rosen, Netherlands	Health	Disease tolerant	Type	Floribunda

FLORANZA® Morning Sun

Brought to you by popular demand. A lovely bright spot in the garden, clusters of bright orange flowers with a yellow centre always attracts attention.

Height	80cm	Fragrance	Medium Tea	Colour	Bright Orange
Type	Floribunda	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

WONDER® Morrinsville

Gifted by the Breeder to the Morrinsville Horticultural Society for their Jubilee. Lovely clusters of semi-double blooms of a glowing yellow, gold. Dark green glossy foliage on a shorter growing bush. Not available winter 2024.

Colour	Yellow/Gold	Fragrance	Soft Tea	Height	80-90cm
Breeder	Doug Grant, New Zealand	Health	Average	Type	Floribunda

AMORÉ® Our Anniversary

Deep velvety burgundy blooms. Highly fragrant. Amore® Our Anniversary will give you a great quantity of flowers from spring to frost, on a compact plant, with a lovely shiny deep green foliage and excellent disease tolerance. The perfect rose to mark an Anniversary.

Colour	Burgundy	Fragrance	Strong sweet honey citrus tea	Height	50-80cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Floribunda

AMORÉ® Queen Bee

Gorgeous glowing flowers are large and full in a very attractive amber apricot colour with some fragrance. Amore® Queen Bee will give you a great quantity of flowers on large trusses all summer, on a compact, slightly spreading plant with lovely olive green, glossy foliage and excellent disease tolerance.

Height	60-80cm	Fragrance	Light/Medium Tea	Colour	Amber apricot
Type	Floribunda	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

ROMANZA® Raggedy Ann

The Raggedy Ann Rose is a shaggy petalled rose of a striking dark ginger orange reminiscent of the children's classic rag doll with the mop of ginger hair. A true dark orange with many ruffled petals and a strong sweet clove fragrance. A small growing bush with dark green foliage.

Colour	Dark Orange	Fragrance	Strong Sweet Clove	Height	80-100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Hybrid Tea/Floribunda

DECORANZA® Rose Field

An elegant rose named for a loved Aunt and 'Rose Field' really was her name. Glorious Rose Pink very appealing with a strong sweet Tea scent. Blooms usually come one to a stem, great picking for a vase. An upright bush with disease tolerant, dark green shiny foliage that offsets the blooms beautifully.

Colour	Rose Pink	Fragrance	Strong Sweet/Fruit Tea	Height	90-100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Resistant	Type	Hybrid Tea

Saint Marcellin Champagnat

Compact growing bush with pretty bright yellow hybrid tea shaped blooms in small clusters. Upright but compact growth furnished with Disease Tolerant foliage. An easy-care rose.

Height	80cm	Fragrance	Light Tea	Colour	Bright yellow
Type	Hybrid Tea/Floribunda	Health	Disease Tolerant	Breeder	David Kenny, Ireland

FLORANZA® Sci-Fi

Orange softening to peach with an unfading raspberry red 'eye' the medium clove scent is an added bonus. Very novel with good disease resistance. A medium size rounded bush with glossy foliage.

Colour	Apricot with an orange eye	Fragrance	Medium Sweet Clove	Height	80-100cm
Breeder	Dickson Roses, Northern Ireland	Health	Disease Resistant	Type	Shrub/Floribunda, Persica

FLORANZA® Seasons Greetings

Put on a pre-Christmas display with show stopping, brilliant RED!!! Large heads of semi-double flowers with yellow stamens to delight the bees. Later blooming looking fresh and beautiful just as the other roses have past their best, very appropriate for Christmas. Burgundy new growth and dark green, shiny leaves. Disease tolerant.

Colour	Bright Red	Fragrance	Soft Tea	Height	80-100cm
Breeder	David Kenny, Ireland	Health	Disease Tolerant	Type	Floribunda

DECORANZA® Sweet Memories

Highly fragrant, romantic soft pink blooms of classic form open with muddled old fashioned centres. Blooms are borne either singly or in small clusters on a tidy low growing bush with shiny green disease tolerant foliage.

Height	50-80cm	Fragrance	Strong Sweet Tea	Colour	Soft Pink
Type	Hybrid Tea	Health	Disease Tolerant	Breeder	Brad Jalbert, Select Roses, Canada

ROMANZA® Sweetblush

Lovely old-fashioned ruffled bloom form of a pearly blush pink with a button eye. Blooms come one to a stem or in small clusters. Moderate tea scent. Small growing bush of compact habit fits nicely into small gardens or pots.

Colour	Pearly Pink / White	Fragrance	Moderate Tea Scent	Height	70cm
Breeder	Spek Rosen, Netherlands	Health	Disease Resistant	Type	Hybrid Tea

FLORANZA® Tropical Blush

Informal blooms like a tropical sunset, warm coral so difficult to capture with a photograph. Very floriferous with quick repeat. Low rounded bush with dark glossy disease Resistant foliage. Small growing bush of compact habit fits nicely into small gardens and pots. Highly recommended.

Colour	Coral Pink	Fragrance	Light Sweet Scent	Height	70cm
Breeder	Spek Rosen, Netherlands	Health	Disease Resistant	Type	HT/Floribunda

DECORANZA® Tropical Temptation

Warm soft Orange, a very appealing and unusual colour in roses. Blooms usually come one to a stem. Has a Medium to strong sweet tea fragrance. A lower growing upright bush with very healthy disease resistant foliage green with a tint of red. Holds its foliage until frosts. Few thorns.

Height	90cm	Fragrance	Strong Sweet Tea	Colour	Soft Orange
Type	Hybrid Tea	Health	Disease Resistant	Breeder	Spek Rosen, Netherlands

William McCarthy®

Prolific clusters of clear silver-pink open cup shaped blooms with a mild fragrance growing on a healthy, rounded, shrubby bush. Bred by Brad Jalbert, Select Roses, Canada, named to honour one of his greatest supporters. A superb addition to the Bambina Rose® range.

Colour	Clear Silver-Pink	Fragrance	Mild Fragrance	Height	75-100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Resistant	Type	Floribunda

FLORANZA® Yorkshire Princess

A "flower factory" this plant covers itself with white blooms. Semi-double flowers in small clusters with a light tea scent. Shrubby growth up to 90 cm and wide, is extremely healthy and shows a high disease resistance.

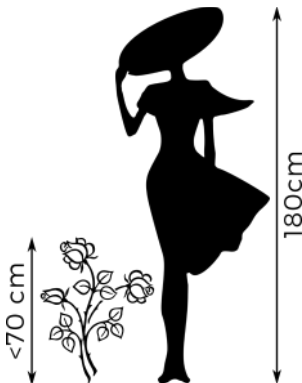

Colour	White	Fragrance	Light Tea	Height	90cm
Breeder	Dickson Roses, Northern Ireland	Health	Disease Resistant	Type	Miniflora / Shrub

PICCOLO ROSES

As well as the Bambina® Roses we have a lovely selection of the traditional miniature & patio, completely new to NZ and only available from amore® Roses.

Piccolo rose varieties make adorable little cut bouquets for the home and special occasions. They make wonderful gifts for friends and neighbours and are especially wonderful as gifts for children.

PIXY® Bluesette

Charming pinkish-mauve blooms with a white edge to each petal. Lightly fragrant, small, fully double, repeat-flowering from summer to autumn. Very compact, well-branched rose to about 30-60cm tall, with pale to mid-green foliage. Would benefit from a regular spray programme.

Colour	Mauve/Pink	Fragrance	Light	Height	60cm
Breeder	Lens Roses, Belgium	Health	Diva	Type	Miniature

FAERIE® Claire Jolly

Here it is, the rose everyone has been asking for when they see it in our Test Garden. This is the flowering alternative to a Buxus Hedge. Very pretty white changing to pink flowers like spring blossom. A quick trim with electric trimmers after blooming and it will repeat the performance 2-3 times in a season. Cut out the dead and dying bits in winter and it will send out new growth in spring to fill the gaps. If it is kept trimmed back regularly in summer after each flowering, it will remain short, dense and

Height	30-50 cm	Fragrance	Light sweet, old fashioned scent	Colour	Pale Pink and white.
Type	Miniature, Hybrid Musk	Health	Disease Tolerant	Breeder	Lens Roses, Belgium

PIXY® Dark Magic

This true miniature rose has Dark Black Red velvety blooms of perfect H.T. form. Strong plant provides lots of perfect little blooms with foliage and flowers in proportion. Bush furnished with glossy foliage. Would benefit from a regular spray programme.

Colour	Dark Red	Fragrance	Nil	Height	70cm
Breeder	Suni Bolar, America	Health	Average	Type	Miniature

FAERIE® Delicious

Ballerina Pink blooms borne usually one per stem with perfect HT form on a tidy upright plant with stems and leaves in proportion to the flowers.

Colour	Pink	Fragrance	Medium	Height	60 cm
Breeder	Eric Welsh, Australia	Health	Average	Type	Miniature

PIXY® Gary Michael

Classic Miniature Blooms borne usually one per stem on an average miniature size plant with stems and leaves in proportion to the flowers. The colour can change with weather from cream to almost white, at others they are a deep butter yellow.

Height	70cm	Fragrance	Nil	Colour	Yellow
Type	Miniature	Health	Average	Breeder	Brad Jalbert Select Roses, Canada

FLORANZA® George Best

Dark red small to medium blooms in large clusters. Blooms in flushes throughout the season covering the bush in bloom - very eye-catching. Short bushy growth with small polished foliage. Named for the infamous Soccer player. Also available as a Standard.

Colour	Red	Fragrance	Nil	Height	70cm
Breeder	Dickson Roses, Northern Ireland	Health	Disease Tolerant	Type	Miniature / Patio

Graduation Day®

Clusters of frilled very double smaller blooms packed with petals of old-fashioned form, rich apricot to pink with a fresh rose fragrance literally cover the plant. Self-cleaning shedding the petals after the flowers are spent. Ultra-glossy foliage. Perfect for pots

Colour	Apricot to pink in cooler weather	Fragrance	Moderate	Height	45cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Miniature / Patio

FAERIE® Joyce Abounding

Bright Pink with a heart of yellow, blooms turn bright red in the sun, very eye-catching. Largish blooms in small clusters with a mild tea fragrance. Blooms in flushes throughout the season. Medium, upright plant with large, semi-glossy, medium green foliage on proportion to the blooms.

Height	70cm	Fragrance	Slight Tea Scent	Colour	Bright Pink/ Orange and Yellow
Type	Miniflora / Patio	Health	Average	Breeder	Bruce Chapman Australia

PIXY® Lucky Stars

Patio sized blooms of velvety true red with a white 'star' in the centre, very pretty. Large sprays of blooms create a massed display. Disease resistant dark green foliage, healthy all summer. Lightly scented.

New Zealand Award Winner.

Colour	Red	Fragrance	Light Tea	Height	70cm
Breeder	David Kenny, Ireland	Health	Disease Resistant	Type	Patio/Shrub

PIXY® Plum Sauce

Pretty little buds open to small perfectly formed blooms of mauve brushed with dusty plum. Usually come in clusters. A compact plant perfect for pots. Small neat foliage in proportion to the flowers.

Colour	Dusky Mauve and Plum	Fragrance	Nil	Height	50cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Average	Type	Miniature

FAERIE® Rising Star

Larger patio sized blooms are full of petals. White with a pink edge and perfect exhibition form. Leaves, stems in proportion with semi-glossy medium green foliage. One of our most requested roses.

Height	70cm	Fragrance	Mild	Colour	White with Pink edge
Type	Miniflora / Patio	Health	Average	Breeder	Brad Jalbert, Select Roses, Canada

WONDER® Southern Peach

Apricot Gold blooms borne in small clusters open wide to show off a boss of red stamens. Medium sweet scent of Chai Latte. Dark green glossy foliage on a taller growing bush

Colour	Peach, Apricot and Gold	Fragrance	Mild Sweet Chai	Height	70cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Average	Type	Miniflora / Patio

FLORANZA® Sparkling Jewels

A refined spreading plant. Covers itself in bright pink blooms like "sparkling jewels" amongst the dark green glossy foliage. A wonderful sight in full bloom in flushes all summer.

Colour	Bright Pink/ Red	Fragrance	Mild	Height	100x100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Resistant	Type	Groundcover / Shrub

FAERIE® Sunny Skies

This miniature rose is white with a heart of cream, blooms of perfect H.T. form. Smaller growing plant provides lots of perfect little blooms with foliage and flowers in proportion. Bush furnished with glossy foliage. Would benefit from a regular spray programme.

Height	70cm	Fragrance	Nil	Colour	White / Cream
Type	Miniature	Health	Diva	Breeder	Suni Bolar, America

Waterlily®

Porcelain, creamy peach mini-flora sized blooms of classic form on large strong upright trusses. Colour varies during the season from Peach to Cream, sometimes pale pink. Semi-glossy healthy foliage on a taller plant. Sweet clean perfume.

Colour	Porcelain, Creamy Peach	Fragrance	Moderate	Height	70 cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Miniflora / Patio

FAERIE® White Babyflor

This low growing rose covers itself with ruffled double white flowers packed with petals. Fresh green foliage with good disease tolerance. Ideal for container or pot culture to decorate your patio, entertainment area or garden. Also available as a Standard.

Colour	White	Fragrance	Medium sweet honeysuckle	Height	60-80cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Miniature

White Patio Wonder®

Clusters of frilled very double smaller blooms packed with petals of old-fashioned form, icy white turning pink as they age. Furnished with highly polished disease Resistant foliage on a smaller bush. Another great little amoré® rose perfect for pots

Height	45cm	Fragrance	Light	Colour	Icy white turning pink as they age
Type	Miniflora / Patio	Health	Disease Resistant	Breeder	Brad Jalbert, Select Roses, Canada

DECORANZA® Winners wheel

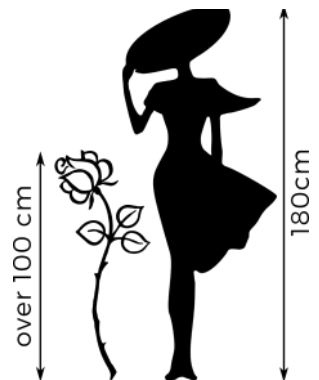

This miniature rose is another from our American Rose Breeder specialising in Exhibition Darlings. It is a tall, strong grower providing lots of perfectly formed spiral blooms white with an edge of raspberry red with foliage and flowers in proportion. Bush furnished with glossy foliage.

Colour	White edged Red	Fragrance	Nil	Height	70cm
Breeder	Suni Bolar, America	Health	Average	Type	Miniature

Our breeders told us “we have great larger roses too”, so we have imported a choice selection of these as well including hybrid teas & Floribundas.

These are taller plants from 1.0m upwards and must meet our specifications of high disease tolerance and great flower production.

DECORANZA® Admiral

Large Ruby red full petalled ruffled blooms with a strong sweet, fruity fragrance.. Repeat blooms all summer. Grows very tall so could be used as a pillar rose. Popular at our the Amoré Roses® Open days.

Colour	deep red	Fragrance	Strong complex, sweet vanilla, pear, rose	Height	130cm
Breeder	Tantau Rosen, Germany	Health	Disease tolerant	Type	Hybrid Tea

ROMANZA® Aphrodite

Beautiful romantic cup shaped and ruffled soft pink blooms of generous proportions just as the name suggests. Blooms usually come one to a stem, great picking for a vase and rain resistant. An upright bush with disease tolerant, dark green shiny foliage that offsets the blooms beautifully. Mostly has few thorns.

Height	80-120cm	Fragrance	Medium Strong Tea	Colour	Soft Pink
Type	Hybrid Tea	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

ROMANZA® Ascot

Beautiful nostalgic Hybrid Tea with ball shaped flowers filled with petals of red shaded violet and purple in small compact clusters of 2-3 blooms. Flowers open slowly and are long-lasting with a medium sweet rose scent. Upright plant well clothed in medium green lush disease tolerant foliage. Sold Out Winter 2023.

Colour	Red, Violet, Purple	Fragrance	Medium Sweet Rose Tea	Height	80-110cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Floribunda/Hybrid Tea

AMORE® Black Lace (PVR)

A romantic red rose of perfect form and plenty of them. Blooms come mostly singly on a long stem, perfect for picking for a vase. Velvety red petals acquire a contrasting black lace edge in the heat of the sun. A light tea scent to complement the bloom. Bush grows tall and straight well furnished with glossy disease resistant leaves. A romantic Valentines Rose.

Colour	Velvety Red	Fragrance	Light Tea	Height	130cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Resistant	Type	Hybrid Tea

DECORANZA® Bridesmaid

Tall and statuesque with gorgeous large exquisitely fragranced blooms perfect for a bouquet. Ultra healthy foliage all summer until the autumn frosts.

Height	130cm	Fragrance	Strong sweet honey clove tea	Colour	Orchid Pink
Type	Hybrid Tea	Health	Disease Resistant	Breeder	Tantau Rosen, Germany

ROMANZA® Dress Up

So pretty! Frilly old-fashioned style blooms with blends of soft buff, peach, apricot, yellow, cream, sometimes more apricot, other times yellow. Blooms come in sprays on a very healthy bush dressed in medium green foliage. A light tea scent completes the pretty picture.

Colour	Soft Peach, Apricot, Yellow, Cream	Fragrance	Light Tea	Height	120cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Resistant	Type	Floribunda

AMORE® Dusky Moon

Voted Rose of the Day at our 2017 Open Day. Very appealing blooms of mauve/purple, cup shape, semi double with white eye and a strong sweet fragrance. Unusual semi-glossy blue foliage on an upright bush. Some Disease tolerance, may need protection in very humid conditions

Colour	Mauve/ Purple	Fragrance	Strong Sweet	Height	130cm
Breeder	Richard and Ruth Walsh, Australia	Health	Disease Tolerant	Type	Floribunda

FLORANZA® Early Dawn

Absent from our Catalogue for a few years but brought back by popular demand. Beautiful muddled blooms are a confection of gold, cream, peach and apricot paling around the edges. Continuous blooming, de-heading not required to keep it blooming. Shrubby taller bush with highly disease Resistant foliage.

Height	150 cm	Fragrance	Moderate	Colour	Apricot to pink in cooler weather
Type	Shrub	Health	Disease Resistant	Breeder	Dickson Roses, Northern Ireland

DECORANZA® Francis Meilland

They say if a Breeder names a rose for the family, it must be a very good one, and this one is great. This multi award winning rose is the epitome of gorgeousness with its many swirling petals opening to blush blooms of classic form with a fabulous fragrance and very rain resistant thick petals. Tall stately plants with deep green foliage and good disease resistance.

Colour	Blush	Fragrance	Strong	Height	120cm
Breeder	Meilland Richardier, France	Health	Disease Resistant	Type	Hybrid Tea

AMORÉ® Hanky Panky

A unique rose, the flowers opening a rich golden tan that slowly transform to a glorious finale of pale mauve. Like silk hankies waving in the breeze, all the various colours on the bush at once is a beautiful sight and easy to understand why it was given this name. Very floriferous with a medium sweet clove scent. The bush has lax, informal growth and is quite disease tolerant. Could be grown as a pillar rose. One of our special varieties.

Colour	Tan to Mauve	Fragrance	Medium Sweet Clove	Height	100-150cm
Breeder	Robert Rippetoe, America	Health	Disease Tolerant	Type	Floribunda

DECORANZA® Kingfisher

This nostalgic rose has unique coloured flowers providing a magical display just like its namesake the Kingfisher. Flowers are rosette-shaped with a button eye which open to a cool violet with warm copper coloured centre. The exotic fragrance is intoxicating. Beautiful as a cut flower to provide a vase filled with charming roses of a bygone age. Disease tolerant light green foliage with red highlights on an upright bush. Very few thorns completes the package.

Height	100-120cm	Fragrance	Strong sweet spicy tea	Colour	Rose pink with mauve and copper
Type	Hybrid Tea/Floribunda	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

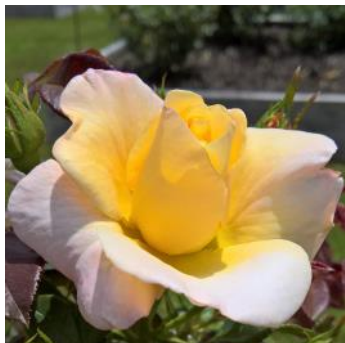

FLORANZA® La Fillette

Award Winner

Very pretty candy pink on white stripes and a white reverse, the overall effect is fresh and light. Blooms are produced in clusters with a medium tea scent. Leaves are semi-glossy and light green. "La Fillette" - French for Little Girl. Not Available Winter 2024.

Colour	Candy Pink on white stripes	Fragrance	Medium Tea	Height	110cm
Breeder	Richard and Ruth Walsh, Australia	Health	Average	Type	Floribunda

DECORANZA® Lotsa Love

For that moment when you want to share “Lotsa Love”. Elegant blooms of warm cream to soft yellow with pink, peach and yellow highlights, glow as if lit from within. Blooms can come one to a stem or in small clusters and have a medium spiced tea fragrance. A tall growing up-right bush with healthy disease tolerant foliage dark green with a tint of red, watch for Downy Mildew in spring. A lovely rose to mark any occasion.

Colour	Soft Yellow	Fragrance	Medium Spiced Tea	Height	90-150cm
Breeder	David Kenny, Ireland	Health	Disease Tolerant	Type	Hybrid Tea

DECORANZA® Louisa Jane

Absent from our Catalogue for a few years but brought back by popular demand. Large high pointed blooms of glowing ivory white with pink edges of perfect form usually come one to a stem, perfect for picking for a vase. Louisa Jane is also blessed with a powerful sweet fragrance adding to its allure. Some disease tolerance.

Height	100-120cm	Fragrance	Medium Sweet	Colour	ivory white with pink edges
Type	Hybrid Tea	Health	Disease Tolerant	Breeder	Ross, Australia

DECORANZA® Mademoiselle Meilland

Sumptuous large quartered blooms of glowing candy pink with orange-pink shading has a strong, complex fruity fragrance with damask. Very vigorous tall bush well covered with deep green leathery disease resistant foliage.

Colour	Pink & Orange	Fragrance	Strong fruity damask	Height	150-200cm
Breeder	Allain Meilland, France	Health	Disease Resistant	Type	Hybrid Tea

MAGNIFI-SCENT (PVR)

AWARD WINNER THE MOST FRAGRANT ROSE - Pacific Rose Bowl Festival, Hamilton, Barcelona, Garden Society Award for Perfume Barcelona. Highly perfumed of pure Damask. French Rose (Pinkish Red) blooms on a bushy plant, well clothed with dark green, disease tolerant foliage. Very fast repeating it always seems to have flowers on all season long. If you want fragrance, this is the one to get. PVR Grant-

Colour	Red/ Maroon	Fragrance	Intense Damask	Height	100- 120cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Hybrid Tea

DECORANZA® Painted Pizazz

Absent from our Catalogue for a few years but brought back by popular demand. Bright blooms, orange with a yellow heart and red edge that deepens with the sun. Blooms are of a good size and come mostly one to a stem or in small clusters in definite flushes. Medium Tea Scent. Highly disease Resistant.

Height	100cm	Fragrance	Medium Tea	Colour	Orange Yellow, Red
Type	Hybrid Tea	Health	Disease Resistant	Breeder	Brad Jalbert, Select Roses, Canada

AMORE® Perfumed Kiss (PVA)

Mauve brushed with Plum and oh the heavenly fragrance! Large HT style blooms on a plant furnished with bronzy purple new growth and deep green disease resistant foliage. Another super-fragrant rose bred by Brad Jalbert

Colour	Lavender /plum	Fragrance	Strong Rose	Height	100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Hybrid Tea / Floribunda

ROMANZA® Pink I Love You

This rose puts "pink" back in style. A romantic mid-pink rose, of old-fashioned ruffled form comes mostly one bloom per long stem perfect for picking with a moderate tea scent. Very healthy and easy to grow. Flowers until frost. Rounded bush with dark green glossy foliage.

Colour	Mid Pink	Fragrance	Moderate tea Scent	Height	100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Hybrid Tea

DECORANZA® Pirate King

A glowing red classic hybrid tea rose with full flowers, usually one per long stem, perfect for picking.

DECORANZA® Pirate King® has a soft, sweet tea rose fragrance for which it won an award at Echigo in Japan. A rapid repeat with healthy dark green foliage and good disease resistance but watch for Downy Mildew in Spring.

Height	100-120cm	Fragrance	Moderate Tea	Colour	Red
Type	Hybrid Tea	Health	Disease Tolerant.	Breeder	Tantau Rosen, Germany

FLORANZA® Special Thoughts

Lovely creamy apricot double blooms in small clusters. Prolific bloomer bush is upright growing and generally very healthy. A great performer for the garden.

Colour	Creamy apricot	Fragrance	Medium sweet Tea	Height	100cm
Breeder	David Kenny, Ireland	Health	Disease Resistant	Type	Floribunda

ROMANZA® Sweet Heart

Gorgeous, unusual large semi-double blooms in small clusters, open very pale pink with a red edge and small strawberry red 'heart'. Blooms deepen to salmon pink as they age. Can grow into a largish shrub.

Colour	Salmon Pink	Fragrance	Soft Tea	Height	120cm
Breeder	Colin Dickson, Northern Ireland	Health	Disease tolerant	Type	Floribunda

WONDER® Sweet Marzipan

Such an appealing bloom looks like it is moulded from Marzipan and couldn't be real. A Myrrh scent adds to the appeal. A confection of buff, apricot, peach, with high-lights of yellow and cream, so difficult to describe. Upright growing bush with mid-green semi-glossy disease tolerant foliage.

Height	100cm	Fragrance	Medium-strong Myrrh Scent	Colour	Buff apricot, peach cream
Type	Hybrid Tea	Health	Average	Breeder	Brad Jalbert, Select Roses, Canada

Sweet Romanza®

One of our most popular roses. Basically white with the slightest blush in the heart with a moderate tea scent. Healthy, dark green glossy disease Resistant foliage all season long. Always looks good and trouble free. Highly Recommended for an easy-care plant it is outstanding.

Colour	Opens slightly blush pink, turns bright white in the sun.	Fragrance	Moderate Tea	Height	120cm
Breeder	Spek Rosen, Netherlands	Health	Disease Resistant	Type	Hybrid Tea / Floribunda

ROMANZA® Wildberry

Berry pink blooms with romantic muddled centres are moderately fragrant. Blooms are light pink with a dark pink reverse and heart and are very rain resistant. Healthy dark green foliage.

Colour	Berry pink	Fragrance	Medium Tea	Height	100-120cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Hybrid Tea

All My Love

Beautiful soft to medium pink and cream flowers with a mild tea fragrance. Cluster-flowered, in large clusters, classic hybrid tea bloom form. Can be grown as a shrub or pillar rose.

New Zealand Award Winner.

Colour	Pink	Fragrance	Mild tea	Height	200cm
Breeder	Doug Grant, New Zealand	Health	Disease Tolerant	Type	Floribunda

WONDER® Camelot

A novel new climber with classically shaped flowers coloured pink with darker 'freckles', very novel, complete with a soft sweet, citrus scent. Branches are supple and can easily be trained horizontally to increase flowering.

Foliage is ribbed, medium green and glossy with good disease tolerance. A vigorous climber that can climb a tall frame, cover a wall and will easily cover a large area.

Height	300cm plus	Fragrance	Soft sweet, citrus scent	Colour	Pale Pink with darker pink 'freckles'
Type	Climbing Floribunda	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

WONDER® Cream Passion

Climbing rose with clusters of hybrid tea shaped blooms that change from a pale yellow to a rich cream colour. Upright plant habit with dark green glossy foliage. Received the Best Climber award at the New Zealand Rose of the Year in Hamilton in 2022.

New Zealand Award Winner.

Colour	Rich Cream	Fragrance	Medium Tea	Height	300cm plus
Breeder	Doug Grant, New Zealand	Health	Disease Tolerant	Type	Climbing Hybrid Tea

Starlet Rose® Elida

A Mini-flora climber, very floriferous and bears large clusters of long-lasting, non-fading ruffled flowers of fresh lemon with a hint of green. Foliage is deep green and glossy. New growth and blooms are continuously produced. Medium fruit tea scent. Starlet® Rose Elida is the most vigorous of this group of Mini-flora climbers.

Colour	Lemon Yellow	Fragrance	Medium Fruit Tea	Height	180-220cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Climbing Floribunda

Starlet Rose® Eva

Voted the Rose of the Day at the Amoré Roses® Open Day 2023. A well-behaved Mini-flora climber with cute and long-lasting pompom flowers in pure pink. The foliage in perfect proportion to the medium sized blooms is deep green and glossy with a reddish hue. This rose has compact growth and reaches a height of approx. 1.8m.

Height	180-200cm	Fragrance	Light Tea	Colour	Pink
Type	Climbing Floribunda,	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

Starlet Rose® Lizzy

STARLET ROSE® Lizzy® can be grown as a ground cover or a short climber. It has clusters of flowers of bright yellow orange with red highlights on the buds with a mild spicy fragrance. Foliage is deep green and glossy with red highlights.

Colour	Yellow Orange	Fragrance	Mild Spice	Height	100-120cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Climbing Floribunda, Groundcover

Starlet Rose® Melina

Climbing mini-flora, highly scented, the fragrance fills the air around it like an expensive perfume, perfect for courtyards and entertainment areas. Medium sized clusters of violet quartered blooms fading to light blue that nod down in charming fashion. The rose is continuous flowering all summer. The plant is quite vigorous but compact in habit with medium green glossy disease tolerant foliage.

Colour	Violet	Fragrance	Strong Sweet, Citrus, Vanilla, Old-fashioned rose.	Height	180-200cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Climbing Floribunda

AMORE® Miriama Kamo

Unusual but beautiful velvety deep chocolate blooms of classic form on a thorny climbing rose. Named by her husband for Miriama Kamo all profits from the sales of this rose go to her Charity Kotahi Rau Pukapuka.

Height	300cm plus	Fragrance	Medium Tea	Colour	Velvet Brown
Type	Climber	Health	Average	Breeder	David Kenny, Ireland

ROMANZA® Saphir

Romantic lilac blue with pale edge and white reverse an unusual cool colour, full petalled, pretty, deliciously fragranced, blooms look delicate like fine porcelain. Fragrance of spice and Limes. Can be grown as a large shrub but makes a lovely climbing rose.

Colour	Lilac blue and white	Fragrance	Med sweet complex, cut limes and cloves.	Height	120cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Shrub/Climber
