## Amoré® Definitions

---

You may notice there are some words and symbols in front of the rose names. Below are what they all mean:

<b>Amoré®</b>	Our very special varieties, they have the x-factor
<b>Floranza®</b>	Very floriferous
<b>Decoranza®</b>	HT, single blooms, perfect for vases
<b>Romanza®</b>	Romantic Old-Fashioned, ruffled form.
<b>Faerie®</b>	Miniature/Patio/Mini-flora/Small Flowered
<b>Pixy®</b>	Miniature, small flowered
<b>Wonder®</b>	Roses to be admired
<b>Starlet Rose®</b>	A climber or 'rising star'
<b>Tender Touch®</b>	Almost thornless

Has won an award

### Health Meanings

<b>Average Health</b>	Will need the occasional spray if the conditions are such that disease is around.
<b>Disease Tolerant</b>	May get the occasional spot but will just keep on growing without treatment.
<b>Disease Resistant</b>	Doesn't need spraying, very rarely gets any disease, maybe a spot or two in really bad conditions.
<b>Diva</b>	As the name suggests, these will need extra attention and a regular spray programme.

## Contents

---

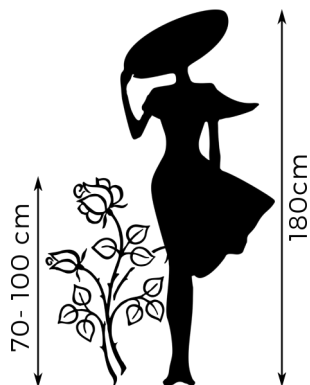

<b>4</b>	Bambina Rose®
<b>17</b>	Piccolo Roses
<b>23</b>	Grande Roses
<b>30</b>	Climbers
<b>33</b>	Standards

These are a completely new type of rose and are being especially bred for us by our talented rose breeders around the world to cater for the modern smaller garden spaces of today. These Bambina Roses® are completely new to NZ and only available through Amore Roses. Bambina Roses® are shorter growing so take less space than traditional large roses but make more impact in colour and size than the smaller Piccolo and patio sized roses.

Bambina Roses® grow less than a metre tall with large Flowers. They produce bursts of colour all summer long and many of them are highly fragrant, perfect for your outdoor entertainment areas.

Our Bambina Roses® have a multitude of uses. They can be planted in pots for the patio deck or in the garden providing mounds of colour and take up less space than the larger roses. Bambina Roses® also make great landscape plantings, Bambina Rose® bushes can be used for lovely low hedges and borders being low maintenance and easy care.

### FLORANZA® Air Kisses (DICbounteye)

Ruffled semi-double flowers with small central magenta eye and yellow stamens beloved by bees, complete with a strong, sweet tea fragrance. A short mounding plant with healthy, shiny deep green foliage, needs little care. Not available as a standard Winter 2023.

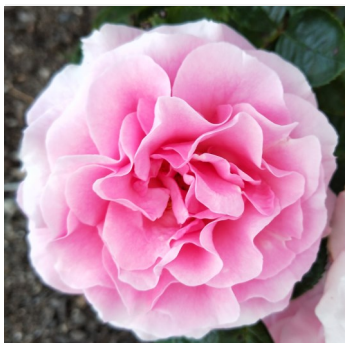

Colour	Bright White with Magenta centre eye	Fragrance	Strong sweet tea	Height	80-100cm
Breeder	Colin Dickson, Northern Ireland	Health	Disease Tolerant	Type	Floribunda/ Small Shrub, Persica

### FLORANZA® Aspirin (TANiripsa)

Deservedly popular. Beautiful and very floriferous all-purpose rose with mounding growth and pretty little perfect white flowers blushing to pink in cooler weather. Very disease resistant well covered with dark green polished foliage.

Height	60-80cm	Fragrance	Soft Tea	Colour	White, blush pink
Type	Low Floribunda	Health	Disease Resistant	Breeder	Tantau Rosen, Germany

### CONGRATULATIONS® Baby Girl (SPEKbluhypno)

Soft baby pink blooms smother the compact bush. Has a myrrh tea scent. A useful little rose, perfect for a pot with pretty blooms for a posy, it will decorate your patio, entertainment, area or garden perfect for container or pot culture.

Colour	Baby pink	Fragrance	Myrrh Tea	Height	60-80cm
Breeder	Spek Rosen, Netherlands	Health	Disease Tolerant	Type	Floribunda

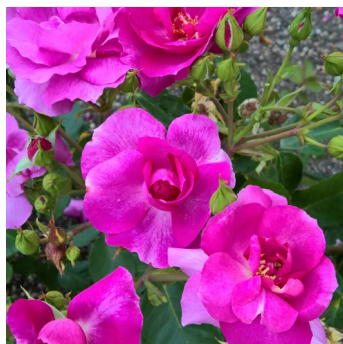

### TENDER TOUCH® Belle De Clermont (Beauty of Clermont) (EVEand)

One of our new almost thornless range. Hybrid Tea of classic form with very pretty glowing blooms which open bright carmine pink with a pale yellow reverse that evolves into crimson tones. Petals sometimes have wavy petal edges as if clipped with scissors giving the flower a slightly modern shaggy appearance. A strong fragrance and medium green leaves with good disease resistance on an up-right plant.

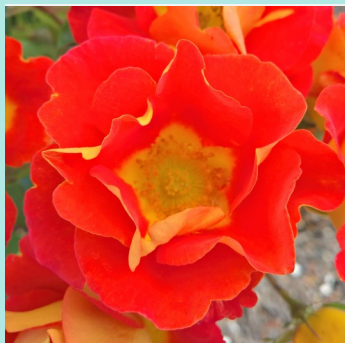

<b>Colour</b>	Carmine with Yellow	<b>Fragrance</b>	Strong Sweet Tea scent	<b>Height</b>	80-100cm
<b>Breeder</b>	Guy Delbard/ Roses Anciennes André Eve, France	<b>Health</b>	Disease Resistant	<b>Type</b>	Hybrid Tea

### ROMANZA® Bluebell (MEImindefer)

Purple - Blue violet, the glowing colour is almost unreal. Highly fragrant. ROMANZA® Bluebell will give you a great quantity of flowers from spring to frost, on a compact plant, with a small matte green foliage and disease tolerant.

<b>Height</b>	60-80cm	<b>Fragrance</b>	Strong sweet Clove Tea	<b>Colour</b>	Purple
<b>Type</b>	Floribunda	<b>Health</b>	Disease Tolerant	<b>Breeder</b>	Meilland Richardier, France

### FLORANZA® Bright & Breezy (Dicjive)

The double blooms are a brilliant, bright orange with a yellow reverse. A very floriferous floribunda with covers itself with large heads of blooms which wowed the visitors to the Amoré Roses® Open Day in 2020. A moderate fragrance. Blooms in flushes throughout the season. Disease tolerant.

<b>Colour</b>	Orange and Yellow	<b>Fragrance</b>	Moderate	<b>Height</b>	90-100cm
<b>Breeder</b>	Colin Dickson, Northern Ireland	<b>Health</b>	Disease Tolerant	<b>Type</b>	Floribunda

### DECORANZA® Capri (TAN08344)

Warm apricot orange with pink highlights lovely old fashioned muddled blooms. Intensely fragrant with notes of apricot and honey. Small growing upright bush with large glossy dark green leaves. Sold Out Winter 2023

Colour	Apricot orange	Fragrance	Strong fruity	Height	80cm
Breeder	Tantau Rosen, Germany	Health	Average	Type	Hybrid Tea

### Cosmic WONDER® (SPEKcosmic)

Looking like a Dahlia, rosette shaped, many petalled blooms open first with a lemon heart quickly fading through cream to pure white. Blossoms look like large cosmic star bursts adorning the dark green healthy foliage. A complex fragrance with notes of honey, musk, clove, myrrh and tea add to the magic. Good disease tolerance.

Height	80-100cm	Fragrance	Medium-Strong complex	Colour	Pale Yellow to White
Type	Hybrid Tea	Health	Disease Resistant	Breeder	Spek Rosen, Netherlands

### TENDER TOUCH® Cream Chiffon (DICwhippy)

One of our new almost thornless range. Lots of flowers neatly ruffled with many petalls open first with a pale yellow heart quickly fading to cream. Mostly thornless strong green stems forms an upright tidy bush with good disease tolerance.

Colour	Pale Yellow to Creamy White	Fragrance	Medium Tea	Height	80-100cm
Breeder	Colin Dickson, Northern Ireland	Health	Disease Tolerant	Type	Floribunda

### Crème Chantilly MEIDILAND® (MEIradena)

An abundance of small cup shaped double flowers of rich cream with a blush apricot centre smother the compact bush looking good enough to eat. Flowers have a light sweet tea scent and a quick repeat. Very healthy short bushy plant with dark disease resistant foliage make this a very desirable rose.

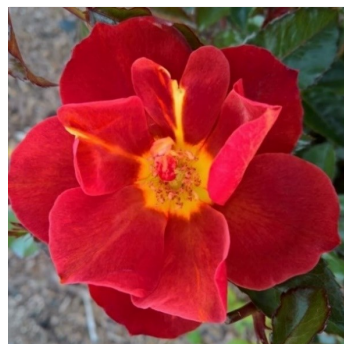

Colour	Cream
Breeder	William J. Radler / Meiland Roses, France

Fragrance	Light Tea
Health	Disease Resistant

Height	80cm
Type	Floribunda

### AMORE® Espresso (SPEbrown)

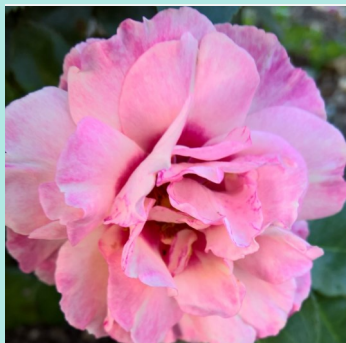

A very unique colour coupled with a spicy clove fragrance makes this a very desirable rose. Highly disease Resistant with dark polished foliage all through the growing season. One of our very special varieties.

Height	100cm
Type	Floribunda

Fragrance	Medium Sweet Clove
Health	Disease Resistant

Colour	Brown with a yellow eye
Breeder	Spek Rosen, Netherlands

### AMORE® Eye need you® (SPEkbeed)

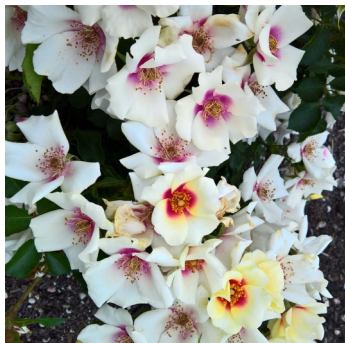

Gorgeous ruffled double blooms of blushing pink with a surprise raspberry centre - something different for your garden. Short mounding growth with disease Tolerant dark green foliage. A strong sweet tea fragrance is an added bonus. Only available on a 45cm Standard Winter 2023.

Colour	blushing pink, raspberry centre
Breeder	Spek Rosen, Netherlands

Fragrance	Medium Sweet Tea
Health	Disease Tolerant

Height	75cm
Type	Small Shrub/Floribunda

### FLORANZA® Eye Popping (KENpopeye)

A very floriferous rose, single yellow fading to white with red 'eye' deepening to purple. Loads of flowers in cycles all season. A low growing 'cushion' of blooms it is ideal in a pot or raised garden bed. On a 45cm standard it is very eye-catching. Very healthy all season. A trouble free rose.

Colour	Single Yellow/White with Red 'Eye'	Fragrance	Nil	Height	70cm
Breeder	David Kenny, Ireland	Health	Disease Resistant	Type	Patio/Shrub, Persica

### DECORANZA® Fortitude (JALfortitude)

A profusion of large glistening satin pink flowers on a strong upright tidy plant. Sweet rose scent. Healthy, glossy foliage. An irresistible Bambina Rose®

Height	75cm	Fragrance	Strong	Colour	Satin Pink
Type	Floribunda	Health	Disease Tolerant	Breeder	Brad Jalbert, Select Roses, Canada

### ROMANZA® Glitz & Glam (EVEcolepi)

Public voted Rose of the Day, Amoré Roses® Open Day 2019 and again 2022. The Hybrid Tea everyone loves. When the weather is right the blooms are ethereal in their beauty. Huge bright yellow blooms with candy pink edges, flowers suffuse with deep red as the blooms age and there is a soft tea scent. Flowers non-stop all summer. Dark green foliage and average health so does get some disease, but with those blooms, nobody notices the leaves.

Colour	Yellow and Pink	Fragrance	Light tea	Height	100 cm
Breeder	Jérôme Râteau / Roses Anciennes André Eve, France	Health	Average	Type	Hybrid Tea

### ROMANZA® Heidi Klum (Tan00681)

Gorgeous violet purple full petalled, flat, rosette shaped blooms, with each petal in its perfect place, is always popular. This delightful compact bush with its medium green foliage and jewel toned blooms will brighten up your patio, entertainment area or garden. A useful little rose, perfect for a pot with pretty blooms for a posy. Not Available Winter 2023.

<b>Colour</b>	Rich Purple	<b>Fragrance</b>	Strong sweet rose	<b>Height</b>	50-80cm
<b>Breeder</b>	Tantau Roses, Germany	<b>Health</b>	Average, gets some disease	<b>Type</b>	Hybrid Tea

### FLORANZA® Hypnotic Blush (SPEKbluhypno)

Look within the depths of the bloom with its petals swirling neatly around the centre. Soft baby pink with a soft myrrh tea scent. Short growth perfect for container or pot culture. An entrancing Bambina Rose®

<b>Height</b>	60-80cm	<b>Fragrance</b>	Myrrh Tea	<b>Colour</b>	Baby pink
<b>Type</b>	Floribunda	<b>Health</b>	Disease Tolerant	<b>Breeder</b>	Spek Rosen, Netherlands

### Inka® (TAN08246)

This multi award winning rose has golden yellow nostalgic ruffled flowers with excellent colour stability, even in our strong NZ sun. Full romantic flowers in clusters with a strong tea fragrance. Medium green glossy foliage and good disease tolerance.

<b>Colour</b>	Yellow / Gold	<b>Fragrance</b>	Strong Sweet Tea	<b>Height</b>	80cm
<b>Breeder</b>	Tantau Rosen, Germany	<b>Health</b>	Disease Tolerant	<b>Type</b>	Floribunda

### FLORANZA® Lemon Ruffle (JALLa2)

An absolutely gorgeous award winning Bambina Rose® in a colour that 'blends with all others. Ruffled blooms open pure lemon yellow which fade pleasantly as they age so there is a multi-coloured effect on the bush. Medium sized semi-double blooms in clusters with beautiful stamens. Medium fragrance. Short growth with semi-glossy, disease Resistant, medium green foliage. NZ AWARD WINNER

Colour	Lemon Yellow	Fragrance	Medium Tea	Height	80cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Floribunda

### ROMANZA® Lip Gloss (TAN13758)

Cheerful bright pink full petalled, flat, ruffled blooms with a button eye and each petal in its perfect place, a real novelty. This delightful compact bush with its dark green polished foliage and brilliant jewel toned blooms will brighten up your patio, entertainment area or garden. A useful little rose, perfect for a pot with pretty blooms for a posy.

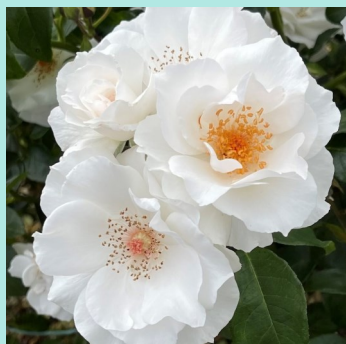

Height	50-80cm	Fragrance	Little	Colour	Bright Pink
Type	Floribunda	Health	Disease Tolerant	Breeder	Tantau Roses, Germany

### WONDER® Little Butterfly

A bit different and very appealing like clouds of butterflies in flight. Prolific medium sized single blooms in large trusses open pink and fade to white with a pink reverse and yellow stamens - the bees certainly love this one. Makes a rounded bush well covered in disease Resistant foliage.

Colour	Pale Pink	Fragrance	Medium Sweet Apple	Height	90cm
Breeder	Kim L. Rupert, United States	Health	Disease Resistant	Type	Polyantha

### FLORANZA® Maria Mathilda (LENmar)

Glowing vivid white double flowers with beautiful stamens beloved by Bees, open from slightly blush pink buds. One of the best white spray roses, with large flowers and very good continuous flowering. The plant has strong, upright, almost thornless branches with dark green healthy leaves.

### AMORÉ® Our Anniversary (JALamazing)

Deep velvety burgundy blooms. Highly fragrant. Amoré® Our Anniversary will give you a great quantity of flowers from spring to frost, on a compact plant, with a lovely shiny deep green foliage and excellent disease tolerance. The perfect rose to mark an Anniversary.

Colour	Burgundy	Fragrance	Strong sweet honey citrus tea	Height	50-80cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Floribunda

### Pink ROMANZA® (SPEKbanza)

A lovely romantic rose from the Netherlands. Ruffled flowers pale pink edged with a darker pink. Shorter growing bush with highly polished foliage. Blooms in flushes.

Height	80cm	Fragrance	Light Tea Scent	Colour	Soft Pink
Type	Hybrid Tea	Health	Disease Tolerant	Breeder	Spek Rosen, Netherlands

### AMORÉ® Queen Bee (Hansestadt Rostock)

Gorgeous glowing flowers are large and full in a very attractive amber apricot colour with some fragrance. Amoré® Queen Bee will give you a great quantity of flowers on large trusses all summer, on a compact, slightly spreading plant with lovely olive green, glossy foliage and excellent disease tolerance.

Colour	Amber apricot	Fragrance	Light/Medium Tea	Height	60-80cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Floribunda

### ROMANZA® Raggedy Ann (JALfox)

The Raggedy Ann Rose is a shaggy petalled rose of a striking dark ginger orange reminiscent of the children's classic rag doll with the mop of ginger hair. A true dark orange with many ruffled petals and a strong sweet clove fragrance. A small growing bush with dark green foliage. Sold Out Winter 2023.

<b>Colour</b>	Dark Orange	<b>Fragrance</b>	Strong Sweet Clove	<b>Height</b>	80-100cm
<b>Breeder</b>	Brad Jalbert, Select Roses, Canada	<b>Health</b>	Disease Tolerant	<b>Type</b>	Hybrid Tea/Floribunda

### DECORANZA® Rose Field (JALwonder)

An elegant rose named for a loved Aunt and 'Rose Field' really was her name. Glorious Rose Pink very appealing with a strong sweet Tea scent. Blooms usually come one to a stem, great picking for a vase. An upright bush with disease tolerant, dark green shiny foliage that offsets the blooms beautifully.

<b>Height</b>	90-100cm	<b>Fragrance</b>	Strong Sweet/Fruit Tea	<b>Colour</b>	Rose Pink
<b>Type</b>	Hybrid Tea	<b>Health</b>	Disease Resistant	<b>Breeder</b>	Brad Jalbert, Select Roses, Canada

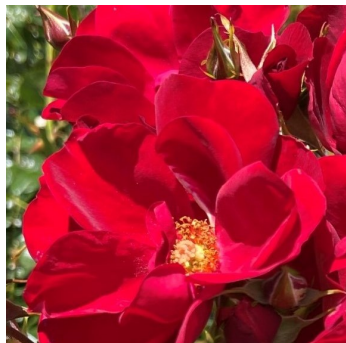

### FLORANZA® Sci-Fi (DICscifi)

Orange softening to peach with an unfading raspberry red 'eye' the medium clove scent is an added bonus. Very novel with good disease resistance. A medium size rounded bush with glossy foliage.

<b>Colour</b>	Apricot with an orange eye	<b>Fragrance</b>	Medium Sweet Clove	<b>Height</b>	80-100cm
<b>Breeder</b>	Dickson Roses, Northern Ireland	<b>Health</b>	Disease Resistant	<b>Type</b>	Shrub/Floribunda, Persica

### FLORANZA® Seasons Greetings (KENSparky)

Put on a pre-Christmas display with show stopping, brilliant RED!!! Large heads of semi-double flowers with yellow stamens to delight the bees. Later blooming looking fresh and beautiful just as the other roses have past their best, very appropriate for Christmas. Burgundy new growth and dark green, shiny leaves. Disease tolerant.

Colour	Bright Red	Fragrance	Soft Tea	Height	80-100cm
Breeder	David Kenny, Ireland	Health	Disease Tolerant	Type	Floribunda

### DECORANZA® Sweet Memories (JALlush)

Highly fragrant, romantic soft pink blooms of classic form open with muddled old fashioned centres. Blooms are borne either singly or in small clusters on a tidy low growing bush with shiny green disease tolerant foliage.

Height	50-80cm	Fragrance	Strong Sweet Tea	Colour	Soft Pink
Type	Hybrid Tea	Health	Disease Tolerant	Breeder	Brad Jalbert, Select Roses, Canada

### ROMANZA® Sweetblush (SPEKblusweet)

Lovely old-fashioned ruffled bloom form of a pearly blush pink with a button eye. Blooms come one to a stem or in small clusters. Moderate tea scent. Small growing bush of compact habit fits nicely into small gardens or pots.

Colour	Pearly Pink / White	Fragrance	Moderate Tea Scent	Height	70cm
Breeder	Spek Rosen, Netherlands	Health	Disease Resistant	Type	Hybrid Tea

### DECORANZA® Tropical Temptation (SPEKtation)

Warm soft Orange, a very appealing and unusual colour in roses. Blooms usually come one to a stem. Has a Medium to strong sweet tea fragrance. A lower growing upright bush with very healthy disease resistant foliage green with a tint of red. Holds its foliage until frosts. Few thorns.

<b>Colour</b>	Soft Orange	<b>Fragrance</b>	Strong Sweet Tea	<b>Height</b>	90cm
<b>Breeder</b>	Spek Rosen, Netherlands	<b>Health</b>	Disease Resistant	<b>Type</b>	Hybrid Tea

### William McCarthy® (JALwilliam)

Prolific clusters of clear silver-pink open cup shaped blooms with a mild fragrance growing on a healthy, rounded, shrubby bush. Bred by Brad Jalbert, Select Roses, Canada, named to honour one of his greatest supporters. A superb addition to the Bambina Rose® range.

<b>Height</b>	75-100cm	<b>Fragrance</b>	Mild Fragrance	<b>Colour</b>	Clear Silver-Pink
<b>Type</b>	Floribunda	<b>Health</b>	Disease Resistant	<b>Breeder</b>	Brad Jalbert, Select Roses, Canada

### FLORANZA® Yorkshire Princess (DICmouse)

A "flower factory" this plant covers itself with blooms of white with a slight blush centre. Semi-double flowers in small clusters with a light tea scent. Shrubby growth up to 90 cm and wide, is extremely healthy and shows a high disease resistance.

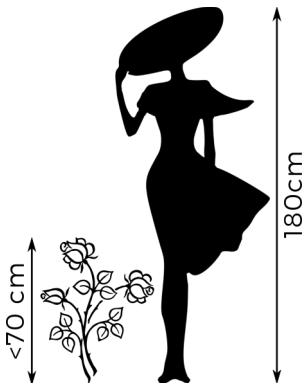

<b>Colour</b>	White	<b>Fragrance</b>	Light Tea	<b>Height</b>	90cm
<b>Breeder</b>	Dickson Roses, Northern Ireland	<b>Health</b>	Disease Resistant	<b>Type</b>	Miniflora / Shrub

# PICCOLO ROSES

As well as the Bambina® Roses we have a lovely selection of the traditional miniature & patio, completely new to NZ and only available from amore® Roses.

Piccolo rose varieties make adorable little cut bouquets for the home and special occasions. They make wonderful gifts for friends and neighbours and are especially wonderful as gifts for children.

### FAERIE® Claire Jolly (LENadeba)

Here it is, the rose everyone has been asking for when they see it in our Test Garden. This is the flowering alternative to a Buxus Hedge. Very pretty white changing to pink flowers like spring blossom. A quick trim with electric trimmers after blooming and it will repeat the performance 2-3 times in a season. Cut out the dead and dying bits in winter and it will send out new growth in spring to fill the gaps. If it is kept trimmed back regularly in summer after each flowering, it will remain short, dense and easily maintained.

<b>Colour</b>	Pale Pink and white.	<b>Fragrance</b>	Light sweet, old fashioned scent	<b>Height</b>	30-50 cm
<b>Breeder</b>	Lens Roses, Belgium	<b>Health</b>	Disease Tolerant	<b>Type</b>	Miniature, Hybrid Musk

### PIXY® Dark Magic (SUNibelle)

This true miniature rose has Dark Black Red velvety blooms of perfect H.T. form. Strong plant provides lots of perfect little blooms with foliage and flowers in proportion. Bush furnished with glossy foliage. Would benefit from a regular spray programme. Not Available Winter 2023

<b>Height</b>	70cm	<b>Fragrance</b>	Nil	<b>Colour</b>	Dark Red
<b>Type</b>	Miniature	<b>Health</b>	Average	<b>Breeder</b>	Suni Bolar, America

### FAERIE® Delicious (WELdel)

Ballerina Pink blooms borne usually one per stem with perfect HT form on a tidy upright plant with stems and leaves in proportion to the flowers.

<b>Colour</b>	Pink	<b>Fragrance</b>	Medium	<b>Height</b>	60 cm
<b>Breeder</b>	Eric Welsh, Australia	<b>Health</b>	Average	<b>Type</b>	Miniature

### PIXY® Gary Michael (JALgary)

Classic Miniature Blooms of HT form borne usually one per stem on an average miniature size plant with stems and leaves in proportion to the flowers. The colour can change with weather from cream to almost white, at others they are a deep butter yellow.

Colour	Yellow	Fragrance	Nil	Height	70cm
Breeder	Brad Jalbert Select Roses, Canada	Health	Average	Type	Miniature

### FLORANZA® George Best (DICHimanher)

Dark red small to medium blooms in large clusters. Blooms in flushes throughout the season covering the bush in bloom - very eye-catching. Short bushy growth with small polished foliage. Named for the infamous Soccer player.

Also available as a Standard.

Height	70cm	Fragrance	Nil	Colour	Red
Type	Miniature / Patio	Health	Disease Tolerant	Breeder	Dickson Roses, Northern Ireland

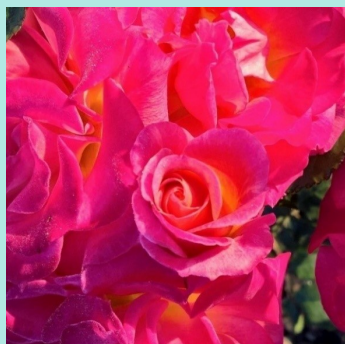

### Graduation Day® (JALgrad)

Clusters of frilled very double smaller blooms packed with petals of old-fashioned form, rich apricot to pink with a fresh rose fragrance literally cover the plant. Self-cleaning shedding the petals after the flowers are spent. Ultra-glossy foliage. Perfect for pots

Colour	Apricot to pink in cooler weather	Fragrance	Moderate	Height	45cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Miniature / Patio

### FAERIE® Joyce Abounding

Bright Pink with a heart of yellow, blooms turn bright red in the sun, very eye-catching. Largish blooms in small clusters with a mild tea fragrance. Blooms in flushes throughout the season. Medium, upright plant with large, semi-glossy, medium green foliage on proportion to the blooms.

**Colour** Bright Pink/ Orange and Yellow

**Fragrance** Slight Tea Scent

**Height** 70cm

**Breeder** Bruce Chapman Australia

**Health** Average

**Type** Miniflora / Patio

### PIXY® Lucky Stars (KENhappy)

Patio sized blooms of velvety true red with a white 'star' in the centre, very pretty. Large sprays of blooms create a massed display. Disease resistant dark green foliage, healthy all summer. Lightly scented.

**Height** 70cm

**Fragrance** Light Tea

**Colour** Red

**Type** Patio/Shrub

**Health** Disease Resistant

**Breeder** David Kenny, Ireland

### PIXY® Plum Sauce (JALplum)

Pretty little buds open to small perfectly formed blooms of mauve brushed with dusty plum. Usually come in clusters. A compact plant perfect for pots. Small neat foliage in proportion to the flowers.

**Colour** Dusky Mauve and Plum

**Fragrance** Nil

**Height** 50cm

**Breeder** Brad Jalbert, Select Roses, Canada

**Health** Average

**Type** Miniature

### FAERIE® Rising Star (JALstar)

Larger patio sized blooms are full of petals. White with a pink edge and perfect exhibition form. Leaves, stems in proportion with semi-glossy medium green foliage. One of our most requested roses.

Colour	White with Pink edge	Fragrance	Mild	Height	70cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Average	Type	Miniflora / Patio

### WONDER® Southern Peach (JALgoldie)

Apricot Gold blooms borne in small clusters open wide to show off a boss of red stamens. Medium sweet scent of Chai Latte. Dark green glossy foliage on a taller growing bush

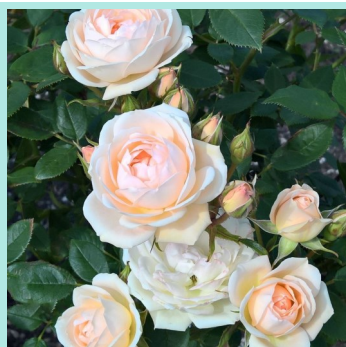

Height	70cm	Fragrance	Mild Sweet Chai	Colour	Peach, Apricot and Gold
Type	Miniflora / Patio	Health	Average	Breeder	Brad Jalbert, Select Roses, Canada

### FLORANZA® Sparkling Jewels (JALredcarpet)

A refined spreading plant. Covers itself in bright pink blooms like "sparkling jewels" amongst the dark green glossy foliage. A wonderful sight in full bloom in flushes all summer.

Colour	Bright Pink/ Red	Fragrance	Mild	Height	100x100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Resistant	Type	Groundcover / Shrub

### Waterlily® (JALwater)

Porcelain, creamy peach mini-flora sized blooms of classic form on large strong upright trusses. Colour varies during the season from Peach to Cream, sometimes pale pink. Semi-glossy healthy foliage on a taller plant. Sweet clean perfume. Not Available Winter 2023

<b>Colour</b>	Porcelain, Creamy Peach	<b>Fragrance</b>	Moderate	<b>Height</b>	70 cm
<b>Breeder</b>	Brad Jalbert, Select Roses, Canada	<b>Health</b>	Disease Tolerant	<b>Type</b>	Miniflora / Patio

### FAERIE® White Babyflor

This low growing rose covers itself with ruffled double white flowers packed with petals. Fresh green foliage with good disease tolerance. Ideal for container or pot culture to decorate your patio, entertainment area or garden.

Also available as a Standard.

<b>Height</b>	60-80cm	<b>Fragrance</b>	Medium sweet honeysuckle	<b>Colour</b>	White
<b>Type</b>	Miniature	<b>Health</b>	Disease Tolerant	<b>Breeder</b>	Tantau Rosen, Germany

### DECORANZA® Winners wheel (SUNIwinner)

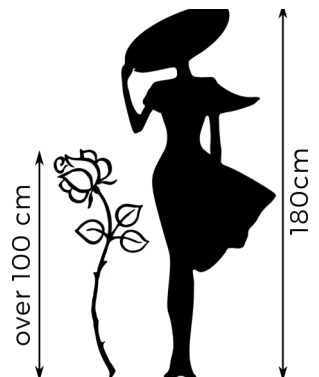

This miniature rose is another from our American Rose Breeder specialising in Exhibition Darlings. It is a tall, strong grower providing lots of perfectly formed spiral blooms white with an edge of raspberry red with foliage and flowers in proportion. Bush furnished with glossy foliage. Not available 2023.

<b>Colour</b>	White edged Red	<b>Fragrance</b>	Nil	<b>Height</b>	70cm
<b>Breeder</b>	Suni Bolar, America	<b>Health</b>	Average	<b>Type</b>	Miniature

Our breeders told us “we have great larger roses too”, so we have imported a choice selection of these as well including hybrid teas & Floribundas.

These are taller plants from 1.0m upwards and must meet our specifications of high disease tolerance and great flower production.

### ROMANZA® Aphrodite (TAN00847)

Beautiful romantic cup shaped and ruffled soft pink blooms of generous proportions just as the name suggests. Blooms usually come one to a stem, great picking for a vase and rain resistant. An upright bush with disease tolerant, dark green shiny foliage that offsets the blooms beautifully. Mostly has few thorns.

<b>Colour</b>	Soft Pink
<b>Breeder</b>	Tantau Rosen, Germany

<b>Fragrance</b>	Medium Strong Tea
<b>Health</b>	Disease Tolerant

<b>Height</b>	80-120cm
<b>Type</b>	Hybrid Tea

### ROMANZA® Ascot (TAN01757)

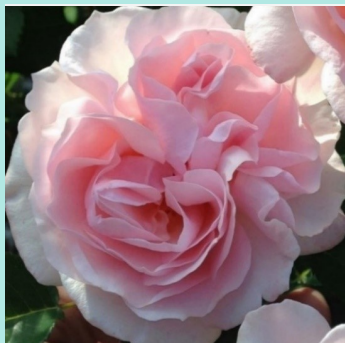

Beautiful nostalgic Hybrid Tea with ball shaped flowers filled with petals of red shaded violet and purple in small compact clusters of 2-3 blooms. Flowers open slowly and are long-lasting with a medium sweet rose scent. Upright plant well clothed in medium green lush disease tolerant foliage. Sold Out Winter 2023.

<b>Height</b>	80-110cm
<b>Type</b>	Floribunda/Hybrid Tea

<b>Fragrance</b>	Medium Sweet Rose Tea
<b>Health</b>	Disease Tolerant

<b>Colour</b>	Red, Violet, Purple
<b>Breeder</b>	Tantau Rosen, Germany

### ROMANZA® Ballet Tutu (JAL8-10)

Palest Pink medium sized blooms in clusters. Blooms smother the plant in flushes throughout the season with a quick repeat. A little fragrance. Medium height upright growth with semi-glossy, medium green foliage.

<b>Colour</b>	Palest Pink
<b>Breeder</b>	Brad Jalbert, Select Roses, Canada

<b>Fragrance</b>	Light
<b>Health</b>	Disease Tolerant

<b>Height</b>	100cm
<b>Type</b>	Floribunda

### AMORE® Black Lace (PVR) (JALblack)

A romantic red rose of perfect form and plenty of them. Blooms come mostly singly on a long stem, perfect for picking for a vase. Velvety red petals acquire a contrasting black lace edge in the heat of the sun. A light tea scent to complement the bloom. Bush grows tall and straight well furnished with glossy disease resistant leaves. A romantic Valentines Rose.

Colour	Velvety Red	Fragrance	Light Tea	Height	130cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Resistant	Type	Hybrid Tea

### AMORE® Dusky Moon (WALdusky)

Voted Rose of the Day at our 2017 Open Day. Very appealing blooms of mauve/purple, cup shape, semi double with white eye and a strong sweet fragrance. Unusual semi-glossy blue foliage on an upright bush. Some Disease tolerance, may need protection in very humid conditions

Height	130cm	Fragrance	Strong Sweet	Colour	Mauve/ Purple
Type	Floribunda	Health	Disease Tolerant	Breeder	Richard and Ruth Walsh, Australia

### AMORÉ® Hanky Panky (RNRjacbee)

A unique rose, the flowers opening a rich golden tan that slowly transform to a glorious finalé of pale mauve. Like silk hankies waving in the breeze, all the various colours on the bush at once is a beautiful sight and easy to understand why it was given this name. Very floriferous with a medium sweet clove scent. The bush has lax, informal growth and is quite disease tolerant. Could be grown as a pillar rose. One of our special varieties.

Colour	Tan to Mauve	Fragrance	Medium Sweet Clove	Height	100-150cm
Breeder	Robert Rippetoe, America	Health	Disease Tolerant	Type	Floribunda

### DECORANZA® Kingfisher (Eisvogel)

This nostalgic rose has unique coloured flowers providing a magical display just like its namesake the Kingfisher. Flowers are rosette-shaped with a button eye which open to a cool violet with warm copper coloured centre. The exotic fragrance is intoxicating. Beautiful as a cut flower to provide a vase filled with charming roses of a bygone age. Disease tolerant light green foliage with red highlights on an upright bush. Very few thorns completes the package.

<b>Colour</b>	Rose pink with mauve and copper	<b>Fragrance</b>	Strong sweet spicy tea	<b>Height</b>	100-120cm
<b>Breeder</b>	Tantau Rosen, Germany	<b>Health</b>	Disease Tolerant	<b>Type</b>	Hybrid Tea/Floribunda

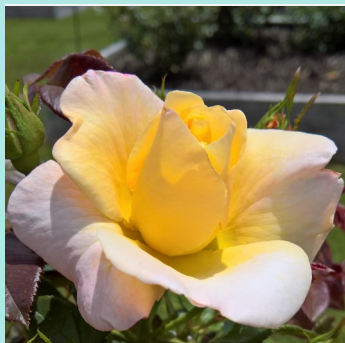

### FLORANZA® La Fillette (WALLafillette)

Award Winner

Very pretty candy pink on white stripes and a white reverse, the overall effect is fresh and light. Blooms are produced in clusters with a medium tea scent. Leaves are semi-glossy and light green. "La Fillette" - French for Little Girl.

<b>Height</b>	110cm	<b>Fragrance</b>	Medium Tea	<b>Colour</b>	Candy Pink on white stripes
<b>Type</b>	Floribunda	<b>Health</b>	Average	<b>Breeder</b>	Richard and Ruth Walsh, Australia

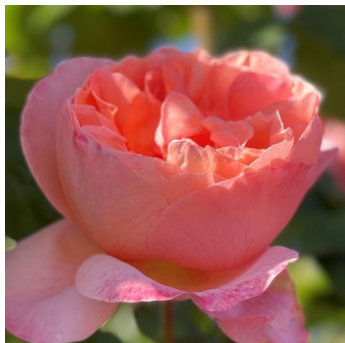

### DECORANZA® Lotsa Love (KENonlyu)

For that moment when you want to share "Lotsa Love". Elegant blooms of warm cream to soft yellow with pink, peach and yellow highlights, glow as if lit from within. Blooms can come one to a stem or in small clusters and have a medium spiced tea fragrance. A tall growing upright bush with healthy disease tolerant foliage dark green with a tint of red, watch for Downy Mildew in spring. A lovely rose to mark any occasion.

<b>Colour</b>	Soft Yellow	<b>Fragrance</b>	Medium Spiced Tea	<b>Height</b>	90-150cm
<b>Breeder</b>	David Kenny, Ireland	<b>Health</b>	Disease Tolerant	<b>Type</b>	Hybrid Tea

### **DECORANZA® Mademoiselle Meilland (Meinostair)**

Sumptuous large quartered blooms of glowing candy pink with orange-pink shading has a strong, complex fruity fragrance with damask. Very vigorous tall bush well covered with deep green leathery disease resistant foliage. Sold Out Winter 2023

<b>Colour</b>	Pink & Orange	<b>Fragrance</b>	Strong fruity damask	<b>Height</b>	150-200cm
<b>Breeder</b>	Allain Meilland, France	<b>Health</b>	Disease Resistant	<b>Type</b>	Hybrid Tea

### **MAGNIFI-SCENT (PVR) (JALreddelicious)**

AWARD WINNER THE MOST FRAGRANT ROSE - Pacific Rose Bowl Festival, Hamilton 2017, Barcelona 2016, Garden Society Award for Perfume Barcelona 2016. Highly perfumed of pure Damask. French Rose (Pinkish Red) blooms on a bushy plant, well clothed with dark green, disease tolerant foliage. Very fast repeating it always seems to have flowers on all season long. If you want fragrance, this is the one to get. PVR Granted. Sold Out Winter

<b>Height</b>	100- 120cm	<b>Fragrance</b>	Intense Damask	<b>Colour</b>	Red/ Maroon
<b>Type</b>	Hybrid Tea	<b>Health</b>	Disease Tolerant	<b>Breeder</b>	Brad Jalbert, Select Roses, Canada

### **AMORE® Perfumed Kiss (PVA) (JALmauvedelicious)**

Mauve brushed with Plum and oh the heavenly fragrance! Large HT style blooms on a plant furnished with bronzy purple new growth and deep green disease resistant foliage. Another super-fragrant rose bred by Brad Jalbert

<b>Colour</b>	Lavender /plum	<b>Fragrance</b>	Strong Rose	<b>Height</b>	100cm
<b>Breeder</b>	Brad Jalbert, Select Roses, Canada	<b>Health</b>	Disease Tolerant	<b>Type</b>	Hybrid Tea / Floribunda

### ROMANZA® Pink I Love You (JAL2-13-13)

This rose puts "pink" back in style. A romantic mid-pink rose, of old-fashioned ruffled form comes mostly one bloom per long stem perfect for picking with a moderate tea scent. Very healthy and easy to grow. Rounded bush with dark green glossy foliage.

Colour	Mid Pink	Fragrance	Moderate tea Scent	Height	100cm
Breeder	Brad Jalbert, Select Roses, Canada	Health	Disease Tolerant	Type	Hybrid Tea

### DECORANZA® Pirate King (Störtebeker) [RT 08-973]

A glowing red classic hybrid tea rose with full flowers, usually one per long stem, perfect for picking. DECORANZA® Pirate King® has a soft, sweet tea rose fragrance for which it won an award at Echigo in Japan.

A rapid repeat with healthy dark green foliage and good disease resistance but watch for Downy Mildew in Spring. Sold Out Winter 2023.

Height	100-120cm	Fragrance	Moderate Tea	Colour	Red
Type	Hybrid Tea	Health	Disease Tolerant.	Breeder	Tantau Rosen, Germany

### ROMANZA® Rebecca Mary (DICjury)

Peachy gold with a touch of buff. Romantic cupped and ruffled blooms have a mild sweet spicy scent. Rebecca Mary is a prolific bloomer with nice large heads of blooms. Mid green glossy ribbed foliage has good disease resistance. Very pretty. Tall growth in autumn which is just over the 'Bambina' size.

Colour	Peach Gold	Fragrance	Mild Sweet Spice	Height	100cm
Breeder	Dickson Roses, Northern Ireland	Health	Disease Resistant	Type	Floribunda

### **WONDER® Sweet Marzipan (JALeasy)**

Such an appealing bloom looks like it is moulded from Marzipan and couldn't be real. A Myrrh scent adds to the appeal. A confection of buff, apricot, peach, with highlights of yellow and cream, so difficult to describe. Upright growing bush with mid-green semi-glossy disease tolerant foliage.

<b>Colour</b>	Buff apricot, peach cream	<b>Fragrance</b>	Medium-strong Myrrh Scent	<b>Height</b>	100cm
<b>Breeder</b>	Brad Jalbert, Select Roses, Canada	<b>Health</b>	Average	<b>Type</b>	Hybrid Tea

### **Sweet Romanza® (SPEKboyka)**

One of our most popular roses. Basically white with the slightest blush in the heart with a moderate tea scent. Healthy, dark green glossy disease Resistant foliage all season long. Always looks good and trouble free. Highly Recommended for an easy-care plant it is outstanding.

<b>Height</b>	120cm	<b>Fragrance</b>	Moderate Tea	<b>Colour</b>	Opens slightly blush pink, turns bright white in the sun.
<b>Type</b>	Hybrid Tea / Floribunda	<b>Health</b>	Disease Resistant	<b>Breeder</b>	Spek Rosen, Netherlands

Climbers

# Climbers

## WONDER® Camelot (TAN05372)

A novel new climber with classically shaped flowers coloured pink with darker 'freckles', very novel, complete with a soft sweet, citrus scent. Branches are supple and can easily be trained horizontally to increase flowering. Foliage is ribbed, medium green and glossy with good disease tolerance. A vigorous climber that can climb a tall frame, cover a wall and will easily cover a large area.

Colour	Pale Pink with darker pink 'freckles'	Fragrance	Soft sweet, citrus scent	Height	300cm plus
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Climbing Floribunda

## Starlet Rose® Elida

A Mini-flora climber, very floriferous and bears large clusters of long-lasting, non-fading ruffled flowers of fresh lemon with a hint of green. Foliage is deep green and glossy. New growth and blooms are continuously produced. Medium fruit tea scent. Starlet® Rose Elida is the most vigorous of this group of Mini-flora climbers.

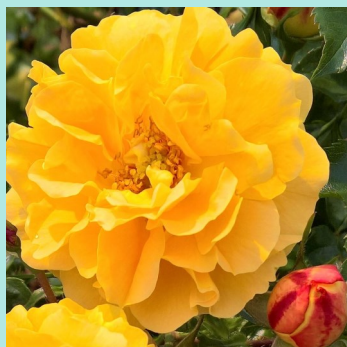

Height	180-220cm	Fragrance	Medium Fruit Tea	Colour	Lemon Yellow
Type	Climbing Floribunda	Health	Disease Tolerant	Breeder	Tantau Rosen, Germany

## Starlet Rose® Eva

A well-behaved Mini-flora climber with cute and long-lasting pompom flowers in pure pink. The foliage in perfect proportion to the medium sized blooms is deep green and glossy with a reddish hue. This rose has compact growth and reaches a height of approx. 1.8m.

Colour	Pink	Fragrance	Light Tea	Height	180-200cm
Breeder	Tantau Rosen, Germany	Health	Disease Tolerant	Type	Climbing Floribunda,

## Starlet Rose® Lizzy

STARLET ROSE® Lizzy® can be grown as a ground cover or a short climber. It has clusters of flowers of bright yellow orange with red highlights on the buds with a mild spicy fragrance. Foliage is deep green and glossy with red highlights.

<b>Colour</b>	Yellow Orange	<b>Fragrance</b>	Mild Spice	<b>Height</b>	100-120cm
<b>Breeder</b>	Tantau Rosen, Germany	<b>Health</b>	Disease Tolerant	<b>Type</b>	Climbing Floribunda, Groundcover

## Starlet Rose® Melina

Climbing mini-flora, highly scented, the fragrance fills the air around it like an expensive perfume, perfect for courtyards and entertainment areas. Medium sized clusters of violet quartered blooms fading to light blue that nod down in charming fashion. The rose is continuous flowering all summer. The plant is quite vigorous but compact in habit with medium green glossy disease tolerant foliage.

<b>Height</b>	180-200cm	<b>Fragrance</b>	Strong Sweet, Citrus, Vanilla, Old-fashioned rose.	<b>Colour</b>	Violet
<b>Type</b>	Climbing Floribunda	<b>Health</b>	Disease Tolerant	<b>Breeder</b>	Tantau Rosen, Germany
